Library of Department of Psychology

The Library of Department of Psychology was established by Rector's Decree No. 1646 on 1st July 2009, ACNP Code NA229, and has a collection of 30.000 monographic volumes and periodical ones. It has 128 seats, included 8 workstations for the disabled and 10 computer stations for the online catalogues and databases consultation.

Public Access

Access to the Library is public and allowed to all users through the annotation on attendance register showing a valid identification document.

Reference Service

The library offers a Reference Service to consult the University OPAC (Online Public Access Catalogue) and its online databases, as well as the bibliographic search assistance.

Library / Interlibrary Loan (LL/ILL)

The library provides a loan service of owned titles to all institutional users. The loaning modalities to other users are specified in its regulation. It's available at:

https://www.unina2.it/doc/ateneo/amministraz ion/regolamenti/D.R._n._181_2014.pdf

Reprography

The Library doesn't offer a Reprography service. Users may provide for themselves out of it making copies for personal use of "opere dell'ingegno" (intellectual property) in accord to the law no. 248 of 18th February 2000 "Nuove Norme di tutela del diritto di autore" - Gazzetta Ufficiale 4th September 2000, n° 206 -- New Regulations for copyright protection --, within the limits of 15% of each volume or journal issue except advertising pages.

Document Delivery (DD)

The library provides to Document Delivery to professors and assistants, researchers, PhD members and students. To that extent, the library adheres to NILDE (Network Inter-library Document Exchange), a project promoted by the "CNR of Bologna" (a territorial research area) that encourages cooperation between Italian and foreign libraries.

University OPAC (Online Public Access Catalogue)

University OPAC (Online Public Access Catalogue) Sebina You is available at the following web address: http://unina2.on-line.it/opac/.do It makes possible to verify which monographs, e-books and journals (printed and online) are owned by the Library of Department of Psychology and by the other University ones.

Online University databases/Electronic resources

Access to on-line University databases is guaranteed by IP address recognition relating to the University network + password; it is also possible with connection at the University Wi-Fi network. The databases must be used through Academic Electronic Resources url:
